

2024 Citywide Garage Sale Flyers

Shawn Kennedy-Lee will be putting together a treasure map for the citywide garage sales. The flyer will include a map with your location noted, and there will be space for a short description of your sale. The maps will be available at Kwik Trip, Heartland Country Club, The Rec, and B&B's Fremont Store starting on June 17, 2024 and will include the City of Lewiston. If your address is outside of that, we'll put an arrow on the edge of the map to direct people out there and include your sale description. We recommend putting your own signs up and advertising your sale as well.

Please fill out this form and return it to the address below by **June 1, 2024**. The cost of the map listing is **\$5, and you will receive one Heartland Days button**.
